About TR Structures

Since 2019, TR Structures has designed and fabricated pre-engineered buildings, industrial sheds and steel structures for clients across Telangana and Andhra Pradesh. We keep design, fabrication and erection in-house, so quality stays consistent and timelines stay predictable — from the first site visit through final handover.

In-House Design & Fabrication

Why Choose Us

- Premium MS, SS & GI steel sourced from certified suppliers
- Experienced engineers and fabricators on every project
- Structural designs tailored to your site and load needs
- Fixed timelines with regular progress updates
- Built for decades — not just to pass inspection
- Transparent, itemised pricing with no hidden costs

How We Work

01

Consult & Assess

Site visit, load requirements and budget alignment

02

Design & Engineer

Structural drawings and PEB engineering sign-off

03

Fabricate

In-house MS/SS fabrication with QC at every stage

04

Erect & Handover

On-site erection, sheeting and final handover

Products & Services

End-to-end capability across design, fabrication and site erection.

INDUSTRIAL SHEDS & STRUCTURES

■ Industrial Sheds

Heavy-duty sheds for factories, warehouses and workshops.

■ Industrial Structures

Large-scale steel frameworks for manufacturing and storage.

■ PEB Warehouse Construction

Purpose-built warehouses engineered for storage density.

■ PEB Factory Buildings

Manufacturing facilities engineered around your production line.

FABRICATION & STEEL WORKS

■ Structural Steel Fabrication

Custom MS/SS fabrication, frames, trusses and industrial supports.

■ Fabrication Services

Precision fabrication for trusses, mezzanines and custom steel.

■ Roof & Wall Sheetting

Leak-proof standing seam roofing and wall cladding systems.

BUILDINGS & PROJECT DELIVERY

■ Prefabricated Buildings

Fast, cost-effective prefab units for offices, cabins and godowns.

■ PEB Erection

Professional on-site assembly from foundation check to handover.

■ Design & Engineering

Structural design starting from your actual requirements.

Fact Sheet

NATURE OF BUSINESS	Manufacturer & Service Provider
SPECIALIZATION	Steel Structures & Pre-Engineered Buildings (PEB)
PROJECTS DELIVERED	Multiple industrial projects across Telangana & Andhra Pradesh
YEAR OF ESTABLISHMENT	2019
